**Financials:** Are down right now because we haven't held the swim-a-thon yet. It will be held on November 10 during practice time.

Our October swim meet cost us \$1300. Battlement Mesa still owes for their deck fees.

**October swim meet:** We have AWESOME parents. Everyone really stepped up.

**Swim –a-thon:** Will be held November 10 during practice. Club will provide food for after. We are hoping to raise money for new starting blocks. New blocks will cost approximately \$3300 per block + installation. There will be a gift for the highest \$\$\$ fundraised.

**New Business:** We will ask the Elks for \$2500 to be put towards scholarship for travel meets and sectionals.  
\$500 for swimmer who qualifies for 3 events at Sectionals  
2 events at Jr. Nationals  
1 event at Olympic Trials

**Coaches Report:** **Gordon:** Kids are doing great. Jenny, Jess and Lizzy are doing great. The older kids are working things out on a regular basis.

**Lizzy:** The group has gotten pretty big. She is having 5 – 6 kids every day.

She is working on the kids knowing their own times. She is also working with the regular swimmers to break 30 sec on their 50 free. Lizzy has been doing 1 on 1 5:30 to 6.

Is wanting to be at practice 5 days a week but will probably be late for dry land a couple days a week when ski season starts. She would like to see a "den parent" on deck during dry land to help keep kids under control.

**Jenny:** Lane 2 kids are able to do more yardage. Jenny is wanting to see her girls score higher in their age groups.

**Next Meeting:** **Tuesday December 6 at 6:30**
